

○ Achat Hotel Bochum Dortmund

- Hotel with special contingent for ICAE
- Other recommended hotels

The Achat Hotel Bochum Dortmund can only be recommended for guests travelling by car. Buses to the university depart from a station close by only every 30 minutes. All other hotels in Bochum downtown are in walking distance to the main station or well connected to the main station via public transport. From the main station to the university the U35 (direction Ruhr-Universität / Hustadt) takes about 12 minutes. The U35 travels every 5 minutes. Tickets of the category A₃ or better “**nine Euro tickets**” valid the whole August all over Germany are required – see the instructions on <https://applied-energy.org/icae2022/wp-content/uploads/2022/06/Public-Transport-in-Bochum-updated.pdf>

Hotel Schmerkötter and Wald & Golfhotel Lottental are in walking distance to the university. In Bochum downtown there will be an open air food market (Bochum kulinarisch) offering a variety of high-class food from Germany and the world from August 10 to 14.

For the U35, repair work is announced for the time until August 9 (Tuesday). Passengers will have to change from the train to a bus, which will require extra time – the trip may last around 30 minutes rather than 12 minutes. Please make sure that you plan with some extra time to be on campus in time.
